

Pop-Up Library coming to High Hops!

Clearview Library District and the Town of Windsor invites the community to experience the Library in a whole new way. The Pop-Up Library will bring you fun

and family activities like Windsor trivia, an ice cream social from Cozy Cow Dairy, and a special library brew from High Hops.

Keep an eye out around town for our Outside the Lines Pop-Up Library coaster. If you see one snatch it up because on the back there is a coupon for \$1 off your first pint of the special Library brew, called "The Inbibed One"! The first 60 kids at the event will receive a free root beer float, made with special "Screamin Readin'" ice-cream from Cozy Cow Dairy and High Hops root beer.

If you ride your bike to the event you will be able to get a free safety check and minor adjustments from Spokes. And you will also get prizes!

The Town of Windsor will be offering Windsor Trivia as part of

the 125th anniversary event. There will be fun games, crafts, music, tech demos and much more!

Pop-Up Library is a part of Outside the Lines, a

global initiative designed to reintroduce libraries to their local communities. From Sept. 13-19, 2015, organizations from across the world will host an event or campaign designed to get people thinking – and talking – about libraries in a whole new way.

Book Clubs at the Library—What fun!

Book Clubs and libraries seem to go hand-in-hand, what could be more natural? Books and book lovers unite under one roof to talk about, be inspired by, and socialize with books. Have you ever thought about joining one? Why didn't you?...Too intimidated? Too busy? The Library offers book clubs without any excuses. All you have to do is read one book in a month, you don't even have to finish it! Come for one hour each month and meet some great people.

There are three book clubs to choose from, hopefully one will fit your busy schedule. The Monday Night Book Club is run solely by library patrons, it is held every first Monday of the month at 6:30 pm. We'll

Read Anything and Thursday Afternoon book clubs are run by Library staff. We'll Read Anything is held on the third Monday of the month at 6:30 pm, and the Thursday Afternoon book club is held, just like it sounds, on Thursday afternoon on the third Thursday of the month at 2:00 pm.

Information about the Library book clubs can be found on the Library website. If you want to contact someone directly, email Marsella at marsella@clearviewlibrary.org.

September Library book clubs will be focusing on Windsor Reads with C J Box. Book groups will meet Thursday, Sept 17 @ 2-3pm and Monday, Sept 21 @ 6:30-7:30. Refreshments will be served. You don't have to belong to book club to participate.

Sign-Up for a Library Card Month

You probably already have a Library card, because you are reading this, but is there someone you know that doesn't have one yet? Did you know September is Sign-up for a Library card month? The Library will be out and about around town to bring you the opportunity to get a Library card.

Remember a Library card is the most important school supply you and your children can have! So if they do not have one now is a great time to get it done.

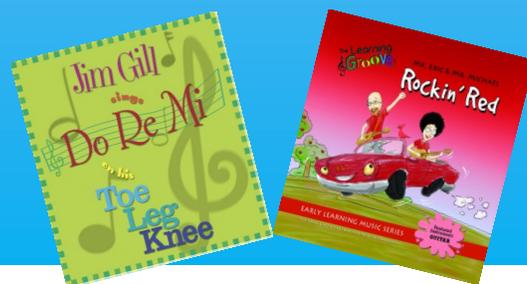

Do you have friends and family who have not been in for awhile? The Library has been through a bunch of changes in the past few years. Do they know about our DigiLab, 3D printer, video game collection, huge movie selection or our fantastic staff? If you think they might not, encourage them to come and see what the Library has to offer. CLD strives to keep on the cutting edge of Library innovation and we work hard to give our patrons what they want from their Library. So encourage everyone you know to sign up for a Library card!

Listening to music has been linked to the development of speech in early childhood. Older children who learn to play an instrument often boost their math and reading scores. So let's boogie down!

Choose a variety of music for your children to listen to. Let them hear your favorites and also choose their own. Clap, dance, and sing along. Let them make up their own songs.

members with registering to vote, the Library is pleased to be part of National Voter Registration Day on Tuesday, Sept 22, 2015 from 10:00 a.m. to 6:00 p.m.

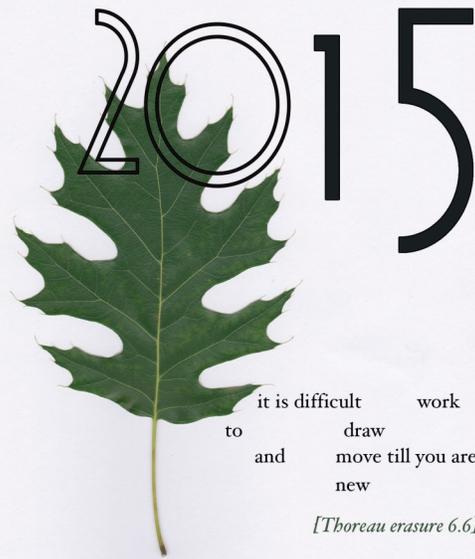

Library Staff and Weld County League of Women Voters will have a special table set up with information to get you registered to vote. Paper forms will be available, as well as computer access to fill out your voter registration on the spot. No need to put it off any longer. Stop in the Windsor-Severance Library, have some refreshments, pick up some voter education and GET YOUR VOTE ON.

The Library will demo online resources and refreshments will be served!
