Sign up to earn prizes at the Library or online beginning Tuesday, May 30th.

All participants will receive a free reading log to record their activities or books.

Children may check in and receive prizes once their adventure or book is completed through July 29th.

For little ones ages 0-5, two methods for earning prizes exist:

- 1) Complete 4 activities, and then stop into the library or bookmobile for a prize!
- 2) If just reading is more your style, then simply read a book for each box.
